

Dias de Celebracion

2018 NMAEA Annual Conference
November 2-4, Albuquerque, NM
Embassy Suites

Greetings!

As Conference Co-Chairs for the New Mexico Art Education Association, it is our distinct pleasure to announce that this year's NMAEA conference will take place Nov. 2-4, at the Embassy Suites in the heart of downtown Albuquerque. This annual event provides content specific, hands-on workshops and best practice lectures to over two hundred educators and pre-service educators. In New Mexico, there are 89 districts, with many different levels of need due to a variety of limitations. Your support is immensely important to us. Please let us share with you some details about the NMAEA Conference:

The conference is entitled "Dias De Celebracion," and themed Dia de los Muertos. The majority of events and workshops will take place at the hotel. Some pre-conference activities will take place on Thursday, Nov. 1st. We are ending the conference on Sunday Nov. 4th by marching in Albuquerque's Dia De Los Muertos Parade!

We would love your support in one, two or three ways:

1. Donate materials for our attendee's goody bags, perhaps a class set for the raffle table, materials for our instructors, door prizes, gift certificates or send us a display for our Art Celebracion.
2. Even more exciting, would be for you to stop by to join our very fun filled weekend! You could...
 - a. Set up a vendor's booth and receive free admission to our themed "Celebracion", all taking place on Saturday Night with live music and dancing. Vendor booth charge is \$100.
 - b. Teach a workshop to show off products, and offer a hard copy related lesson plan.
3. Finally, your support would be most helpful if you could be a monetary sponsor of the conference and receive direct promotion and advertising for your product's company or service. We offer advertising in the conference program. The prices run at 1/8 page (business card) \$100, 1/4 page \$150, 1/2 page, \$250 and full page at \$400.

Please complete the [VENDOR REGISTRATION](#) form to let us know you will participate at our conference. If you wish to teach a workshop, please complete the [WORKSHOP PROPOSAL](#).

Thank you in advance for your support in providing new and innovative tools and materials! Any and all material donations can be sent to: Please make checks payable to **NMAEA** and send to:
